

GIQ Coal – types of programs

GIQ Coal Surface (Renewal/Bridging) GIQ Coal Underground (Renewal/Bridging)

The above course/s are open to persons in Queensland who need to move between multiple coal mining sites and, importantly, have current industry experience relevant to their role. To ensure the correct training pathway is provided, Lennon Training have the below process in place.

How do I figure out which course to book??

The **relevant period** of time means the **ten (10) year period** before doing the course.

**Please submit page 2, 3 & 4 of this Form LTC14-8a to Lennon Training and
await confirmation of your booking reservation.**

Case examples for possible types of people needing the above courses. The student and company names mentioned below are false and had no intention of referring to any specific person or business:

Example	GI Passport	Industry Experience?	Current <u>AND</u> relevant experience	Has an employer?	Wants What?	Recommended Course
"John"	Yes – expired 19 April 2011	Yes	Yes	Yes	Surface	GIQ Coal Surface Renewal
