

Overview of the RCC application

This process uses RCC assessment whereby a person **already holds** the Standard 11 qualification and by their training record they can demonstrate that they have been employing those skills in the interim since first obtaining the qualification.

Our evidence requirements for a person to be eligible to apply for RCC to achieve the Standard 11 requirement for Surface can be summarised as follows:

- ⇒ Previous Statement of Attainment showing the six nominated units listed below
- ⇒ Training records
- ⇒ Copy of risk assessments
- ⇒ Supervisors endorsement for various observed competencies

The above mentioned Statement of Attainment is to show the following six nominated units:

- ⇒ RIICOM201D
- ⇒ RIIERR205D
- ⇒ RIIERR302D
- ⇒ RIIGOV201D
- ⇒ RIIRIS201D
- ⇒ RIIWHS201D

Fees involved

For an application to be reviewed for suitability and then assessed by an authorised Lennon Training Facilitator the cost per person is \$285.70 (includes \$3.10 gst). A Statement of Attainment will be issued for the above mentioned RII units in partial completion of RII20215 Certificate II in Surface Extraction Operations

Lennon Training is a Registered Training Organisation that has been successfully operating in the Bowen Basin since 1991. Lennon Training's head office remains in Emerald with courses delivered from Emerald, Moranbah and Brisbane and since 2005, the coal provinces of P.R China.

Programs in Emerald and Brisbane include

- ⇒ GI Coal Surface induction (first time)
- ⇒ GI Coal Surface & Underground (first time)
- ⇒ Refresher/bridging programs GI Coal Surface and Underground

The above are programs that meet training requirements for Recognised Standard 11

Also regularly scheduled in Emerald and Brisbane:

- ⇒ Supervisor competencies
- ⇒ Cert IV Risk unit RIIRIS402
- ⇒ Working at Heights
- ⇒ Enter & work in confined spaces

These are also refresher programs for the above.

Held each month in Emerald and Moranbah

- ⇒ Firearms Safety course (Cat AB or H)

Lennon Training have the only underground galleries in Queensland designed specifically for underground mine safety induction training. We have an underground gallery at all three of our training locations in Queensland.

Lennon Training's facilitators are experienced mining personnel. Our facilitators are selected for their ability to interact with trainees, identify and relate to trainees of different experience levels and learning difficulties.
