

## Overview of the RCC application

This particular RCC process is intended for those underground mine workers who has **already held** the Std 11 Surface & Underground qualification and by their training record they can demonstrate that they have been employing those skills in the interim since first obtaining the qualification.

Our evidence requirements for a person to be eligible to apply for this RCC process can be summarised as follows:

- ⇒ Previous Statement of Attainment showing the unit RIIERR203D
- ⇒ Supply a mine site training record (or equivalent) showing the applicant has completed two years' underground work within the previous five (5) years

If the information supplied is satisfactory, you will be required to attend our training centre for about two hours and complete the following

- ⇒ A written theory assessment relating to TARP's, authorisations, reading Statutory report and panel inspection board etc
- ⇒ In the smoke filled gallery, demonstrate the donning of a self-rescuer and then change over to a CABA unit

## Time and Fees involved at Lennon Training

If the above sufficiently demonstrates competence, the total cost per person is \$285.70 (includes \$3.10 gst). A Statement of Attainment will be issued for RII.ERR203D in partial completion of RII20315 Certificate II in Underground Coal Mining.

Alternative options & fees will be discussed if application has insufficient evidence.

Lennon Training is a Registered Training Organisation that has been successfully operating in the Bowen Basin since 1991. Lennon Training's head office remains in Emerald with courses delivered from Emerald, Moranbah and Brisbane and since 2005, the coal provinces of P.R China.

Programs in Emerald and Brisbane include

- ⇒ GI Coal Surface induction (first time)
- ⇒ GI Coal Surface & Underground (first time)
- ⇒ Refresher/bridging programs GI Coal Surface and Underground

The above are programs that meet training requirements for Recognised Standard 11

Also regularly scheduled in Emerald and Brisbane:

- ⇒ Supervisor competencies
- ⇒ Cert IV Risk unit RIIRIS402
- ⇒ Working at Heights
- ⇒ Enter & work in confined spaces

These are also refresher programs for the above Held each month in Emerald and Moranbah

- ⇒ Firearms Safety course (Cat AB or H)

Lennon Training have the only underground galleries in Queensland designed specifically for underground mine safety induction training. We have an underground gallery at all three of our training locations in Queensland.

Lennon Training's facilitators are experienced mining personnel. Our facilitators are selected for their ability to interact with trainees, identify and relate to trainees of different experience levels and learning difficulties.

## Lennon Training Recognition of Current Competency (RCC)

to achieve **RIIERR203D**

**This is part of meeting Standard 11 at an Underground Coal mine ^**
